

Announcement

THIRD INTERNATIONAL SYMPOSIUM ON DRUG ANALYSIS

The Third International Symposium organised by the Société Belge des Sciences Pharmaceutiques will be held in the University of Antwerp (UIA), Universiteitsplein 1, 2610 Wilrijk, from Tuesday 16 to Friday 19 May 1989.

The purpose of the Symposium is to bring together people from Industry, Universities, Control Laboratories and Hospitals to discuss the current status of analytical techniques, including instrumental applications and theoretical developments.

Topics for discussion include:

1. Fundamental Aspects of Drug Analysis.
2. Quality Control of Natural and Synthetic Raw Materials.
3. Analysis of Pharmaceutical Preparations.
4. Determination of Drugs in Biological Media.
5. Automation in Drug Analysis.

Plenary and Keynote lectures will be given by invited speakers. There will be a limited number of oral presentations. Preference will be given to poster presentations. Panel discussions may be organised.

For further information, please contact the Secretary of the Organizing Committee: Dr. Apr. G. Laekeman, 3rd International Symposium on Drug Analysis — Antwerp, Universitaire Instelling Antwerpen, Departement Farmaceutische Wetenschappen, Universiteitsplein 1, B-2610 Wilrijk, Belgium.
