

Corrigenda

L. Campanella *et al.*, Analytical comparison of an enzyme-amperometric method for chlorocresol determination in ointments with colorimetry and liquid chromatography. *J. Pharm. Biomed. Anal.* **10**, 751–755 (1992).

It is regretted that Scheme 1 in this paper was incorrect. The correct scheme is given below.

N. D. Danielson *et al.*, Simple methods for the qualitative identification and quantitative determination of macrolide antibiotics. *J. Pharm. Biomed. Anal.* **11**, 121–130 (1993).

It is regretted that throughout this paper " $\mu\text{g ml}^{-1}$ " was mistakenly printed as " ng ml^{-1} ".
