

ANNOUNCEMENT

Nominations are requested for the *Chirality Medal*, to be awarded at the *5th International Symposium on Chiral Discrimination* in Stockholm, 25–28 September 1994. The Chirality Medal was instituted at the 1991 Symposium in this Series, organised in Rome by the *Società Chimica Italiana*. This Gold Medal is awarded to an internationally recognized scientist who has made distinguished contributions to the development of any aspect in the field of chiral discrimination. The previous recipients have been Professors Gil-Av, Jacques, Prelog and Mislow.

All nominations should be sent to the following address by 31 May 1994:

Professor Anthony F. Fell
Secretary, Chirality Medal Honours Committee
Pharmaceutical Chemistry
University of Bradford
