

## Publisher's note – new editorial organisation

We are pleased to announce that Professor Sándor Görög (Budapest, Hungary) has agreed to join the team of Editors of the *Journal of Pharmaceutical and Biomedical Analysis* as from 1 July 2005.

Professor Görög holds a position as scientific advisor at the pharmaceutical company Gedeon Richter Ltd., Budapest, is honorary professor of the Pharmaceutical Chemistry department at the Semmelweis University, Budapest, and a member of the Hungarian Academy of Sciences. His research interests are in pharmaceutical analysis with special respect to the complex application of spectroscopic and chromatographic techniques in impurity and degradation profiling of drugs, chemistry and analysis of steroid hormone drugs.

Professor Görög has been involved with the journal for many years already, as a well-esteemed advisory board member, referee and author. We are sure you will all join us in welcoming Professor Görög to this new position, in which he will no doubt contribute to further strengthening the high reputation of the journal.

At the same time we regret to inform you that as from 1 August 2005, Professor Ian D. Wilson will step down as an Editor for the *Journal of Pharmaceutical and Biomedical Analysis*. We wish to thank him for the substantial role he played as an editor and his continuous efforts to further improve the journal. Although Professor Wilson will no longer handle any new submissions, he will continue to finish manuscripts submitted to him for handling previously, to ensure a smooth transfer period. We are furthermore pleased that Professor Wilson has agreed to remain involved with the journal as an Editorial Advisory Board member.

As from 1 August 2005, the Board of Editors of the *Journal of Pharmaceutical and Biomedical Analysis* consists of:

**Bezhán Chankvetadze**, Tbilisi State University, Tbilisi, Georgia / Sepaserve GmbH, Münster, Germany

**Sándor Görög**, Gedeon Richter Ltd., Budapest, Hungary

**Jun Haginaka**, Mukogawa Women's University, Nishinomiya, Japan

**Ruin Moaddel**, NIA/NIH, Baltimore, MD, USA

**Sergio Pinzauti**, University of Florence, Florence, Italy

Authors from all geographical regions can submit their manuscripts to one of the editors above, preferably by using the journal's online submission system accessible via <http://ees.elsevier.com/jpba>.
