

## Erratum

---

G. Bartocci, U. Mazzucato and G. Favaro, Excited state reactivity of azaromatics. VII: Production and quenching of triplet naphthylpyridylethylene induced by halide anions, *Journal of Photochemistry*, 11 (1979) 79.

Because of a misunderstanding in transferring corrections from the authors' proof, the name of U. Mazzucato was incorrectly removed from the list of authors.
