

Corrigendum

J. Mattay, J. Gersdorf and I. Jones Santana, Photoreactions of biacetyl with tetramethyl-1,3-dioxole and 1,1-diethoxyethene: solvent dependence of the product quantum yield as an indication of the competition between product formation and ionic photodissociation, *J. Photochem.*, 23 (1983) 319 - 327.

Page 325, eqn. (12), should read as follows.

$$\Phi_{\text{diss}}^{\epsilon} = 1 - \Phi_{\text{p}}^{\epsilon} \left(1 + \frac{\Phi_{\text{de}}^{\text{cy}}}{\Phi_{\text{p}}^{\text{cy}}} \right) \quad (12)$$

Page 327, ref. 4, should read as follows.
