

## ADDITIONS AND CORRECTIONS

---

1999, Volume 103

**Jun-ichi Fujisawa, Kazuyuki Ishii, Yasunori Ohba, Seigo Yamauchi,\* Michael Fuhs, and Klaus Möbius:** First Observation of the Excited Doublet State of a Radical–Triplet Pair in Solution: W-Band High-Field Time-Resolved Electron Paramagnetic Resonance Spectroscopy

Page 215. In eq 3, there are typographical errors; this equation should be corrected as

$$H_{\text{ex}} = -J_1 \mathbf{S}_{\text{T1}} \cdot \mathbf{S}_{\text{T2}} - J_2 \mathbf{S}_{\text{T1}} \cdot \mathbf{S}_{\text{R}} - J_3 \mathbf{S}_{\text{T2}} \cdot \mathbf{S}_{\text{R}} \quad (3)$$

where each term is composed of a scalar product of the vectors.
