

ADDITIONS AND CORRECTIONS

2002, Volume 106A

Gaétan Weck, Anne Milet, Robert Moszynski, and Elise Kochanski*: Role of Cancellation of Errors in Ab Initio Calculations: Structure and Energetics of the OH⁻ (H₂O) System and Electric Dipole Properties of the Subsystems

Page 12086. In section II.C. "Geometries", the last sentence of the first paragraph should read, "The water molecule was in the *xz* plane, with one of the OH bonds along the *z*-axis."

Page 12089. In column two, line 7, the parenthetical text should read "(along one of the OH bonds)".
