Corrigenda

On a mechanical matching condition related to the detection limit for gravitational radiation

Maeder D G 1972 *J. Phys. A: Gen. Phys.* **5** L113-8

Equation (1) is incorrect; the correct form is

$$\frac{S_p}{S} = \frac{1-r}{1+r} \left(\frac{Y\rho}{Y_p\rho_p} \right)^{1/2} = \frac{1-r}{1+r} \frac{v\rho}{v_p\rho_p}.$$

Two kinds of mode coupling contributions to transport coefficients

Kawasaki K 1973 *J. Phys. A: Math., Nucl. Gen.* **6** L1-3

In the second term on the right-hand side of equation (6), $G_i^*(-t+s)$ should be $G_i^{0*}(-t+s)$.
