## Corrigendum

### **Hamiltonian studies of the two-dimensional axial next-nearest neighbour Ising (ANNNI) model: II. Finite-lattice mass gap calculations**

Duxbury P M and Barber M N 1982 *J. Phys. A: Math. Gen.* **15** 3219–33

Equation (2.3) should read

$$V = - \sum_{m=1}^M (\sigma_m^x \sigma_{m+1}^x - \kappa \sigma_m^x \sigma_{m+2}^x).$$
