## CORRIGENDUM

### Phase transitions in two-dimensional stochastic cellular automata

Kaneko K and Akutsu Y 1986 *J. Phys. A: Math. Gen.* **19** L69-75

There are two errors in this letter.

(i) Figure 1 was mistakenly given the caption for figure 3. The correct caption should be as follows.

**Figure 1.** Snapshot of SCA with the rule 00001 (glassy) for  $p = 0.005$ . ● shows the site  $(i, j)$  with  $s_{i,j} = 1$ , while blank sites mean  $s_{i,j} = 0$ .

(ii) On p 74, line 7, the last term in the equation should be  $s_{i,j} - 1$ , *not*  $s_{i,j-1}$ .
