Corrigendum

Reduction of the two-body problem with central interaction on simply connected spaces of constant sectional curvature

A V Shchepetilov 1999 *J. Phys. A: Math. Gen.* **31** 6279–91

On page 6281, line 13 from top, ‘ $\varepsilon_{ijk} = 1$ ’ should be ‘ $\varepsilon_{123} = 1$ ’.

On page 6288, first line of Proof, ‘ $R \rightarrow 0$ ’ should be ‘ $r \rightarrow 0$ ’.

On page 6289, sixth line from bottom, the equation should be

$$F_2^h := \sum_{i=1}^3 \phi_i \phi_{i+3} = c_2.$$

On page 6291, reference [11] should be:

[11] Kozlov V V and Fedorov Yu N 1994 *Matem. Zametki* **56** 74 (in Russian)
