## List of referees

We would like to thank all the referees who have reported on manuscripts submitted for publication in *Journal of Physics A: Mathematical and General*. As an acknowledgment of their services, the names<sup>†</sup> of referees who have reported for us over the period 16 November 1999 to 15 November 2000 are recorded below. The quality and success of the journal is very much dependent on our referees' time and effort as well as their expertise and we are indebted to them.
