CORRIGENDUM

Non-secular ESR broadening in a copper-amino acid complex by A M Gennaro and R Calvo (J. Phys.: Condens. Matter 1989 1 7061-7068)

Page 7064

In the second paragraph, the equation for \mathcal{H}'_{Z} should read

$$\mathcal{H}'_{Z} = \frac{1}{2}\beta(S_{A} - S_{B}) \cdot (\mathbf{g}_{A} - \mathbf{g}_{B}) \cdot \mathbf{B}$$

and below the displayed equation, the next line should read

where
$$s^{\pm} = S_A^{\pm} - S_B^{\pm}$$
, and

Page 7065

In line 7, below the definition of λ_a , the word 'interactions' should read 'integrations'.

Page 7066

In table 2, all the plus signs should be \pm , and the definition immediately above equation (8) should read

$$x_a^{\lambda} = |\lambda|\omega_{0X}/(\sqrt{2}\omega_{e_a})$$

Page 7068

In [5], the year of publication is 1989.
