In table 1, the heading on the final column should be changed to $B(\text{\AA}^2)$. Figure 8, parts (a) and (b) should be replaced with following:

(a)

Figure 8(a). Molecular orbital diagram of t_{2g} orbital hybridization between the Re ions in the Re_2O_{10} dimer.

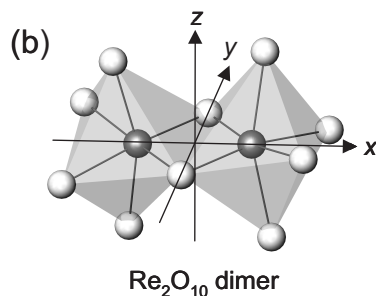

Figure 8(b). Definition of the Re d-orbital directions following that in [16].

These corrections do not affect the results or conclusions of the paper.
