

Forthcoming Meetings

International Meeting on Solid Electrolytes

A meeting on the above topic will be held in St. Andrews, Scotland from 20th to 22nd September, 1978. It is sponsored by The Electrochemical Society (U.S.A.), The Electrochemistry Group of the Chemical Society (U.K.) and the Electrotechnology Group of the Society of Chemical Industry (U.K.).

The meeting will deal with experimental, theoretical and applied aspects of solid ionic and mixed ionic-electronic conductors. Both plenary lectures and contributed papers will be presented and discussed.

Further details may be obtained from Dr. C. A. Vincent, Department of Chemistry, The Purdie Building, The University, St. Andrews, Scotland KY16 9ST.
