

Corrigendum

Corrigendum to “There is a mistake in Farhat’s
model published in volume 138”

The authors regret an error occurred in the above-mentioned article. There is an error in the first paragraph of our paper, in which the units of $k_f C_R S$ and $k_b C_P S$ are supposed to be $\text{mol cm}^{-2} \text{s}^{-1}$ instead of $\text{mol cm}^{-4} \text{s}^{-1}$. So the Farhat’s model published in volume 138 is correct. We are sorry for our mistake and we do apologize to Farhat for our false conclusion.
