ERRATUM

The Editor of the *Journal of Roman Studies* 1984 very much regrets that in the review by Dr. E. D. Hunt he made it appear that the author of *Concordia Apostolorum: Christian Propaganda at Rome in the fourth and fifth centuries. A Study in early Christian Iconography and Iconology* was Janet A. R. Huskinson and not John M. Huskinson.

The Tribute to F. W. Walbank by Professor Arnaldo Momigliano was unfortunately omitted from the contents list.
