The Text of the Lex Irnitana

M. H. CRAWFORD

Page 182

Last paragraph should read:

Ch. LXXXXVII, lines 23–4: *read* per honores liberorum, *not* per honores libertorum. I am persuaded that in line 33 *lege Lati scio*, implying a *lex* of Latium = Latinity, is preferable to *lege late scio* (checked in Seville, 26/06/08).
