Corrigendum

Corrigendum to “Synthesis, structures, and phase transitions of barium bismuth iridium oxide perovskites $\text{Ba}_2\text{BilrO}_6$ and $\text{Ba}_3\text{Bilr}_2\text{O}_9$ ” [*J. Solid State Chem.* 183 (2010) 727–735]

The authors wish to draw the reader's attention to an unfortunate series of typographical errors in this article. The space group of $\text{Ba}_2\text{BilrO}_6$ at room temperature was incorrectly referred to throughout the text as $R\bar{3}c$. The correct space group is $R\bar{3}$, which was used for all the Rietveld-refinements and to generate all the relevant tables and figures.
