

## **IMPORTANT ANNOUNCEMENT**

We are pleased to announce that the *Journal of Statistical Physics* will be expanding again in 1973. Whereas three volumes of three issues each were published in 1972, three volumes of four issues each will be published in 1973, representing *an increase of 33%*. The subscription rate for Volumes 7, 8, and 9 will be \$29.00 per volume (\$87.00 per year). For individual subscribers certifying that the journal is for their personal use only, the 1973 rate will be \$17.00 per volume (\$51.00 per year).
