## **SYMPOSIUM ON APPLICATIONS OF STATISTICS**

A Symposium on Applications of Statistics, sponsored by the Air Force Flight Dynamics Laboratory, will be held in Dayton, Ohio, on June 14–18, 1976. Several distinguished scientists who have made significant contributions to the field of applications of statistics will present invited papers on a very broad spectrum of topics. There are plans to publish the proceedings of these invited-paper sessions. Attendance at the symposium is open to anyone interested.

Persons interested in presenting contributed papers should send abstracts (not exceeding 200 words) of their papers to Dr. P. R. Krishnaiah at the address listed below not later than March 31, 1976. Further details regarding the symposium may be obtained from

Dr. P. R. Krishnaiah
