Errata: Reaction–Diffusion Equations for Interacting Particle Systems[1]

A. De Masi, P. A. Ferrari, and J. L. Lebowitz

Expression (4.27a) should be corrected in the following way:

$$G(Y_\tau^\varepsilon(\phi)) - \int_0^\tau ds \, L_\varepsilon G(Y_s^\varepsilon(\phi)) + \int_0^\tau ds \, G'(Y_s^\varepsilon(\phi))[d\mathbb{E}(Y_s^\varepsilon(\phi))/ds] \quad (4.27a)$$

Also, Eq. (4.29) should be corrected as

$$L_\varepsilon Y_s^\varepsilon(\phi) - [d\mathbb{E}(Y_s^\varepsilon(\phi))/ds] = \gamma_1^\varepsilon(\phi, s) + r_1^\varepsilon \quad (4.29)$$
