Bell, J. S., Caillet, G. and Le Marrec, A. 1992. The present-day stress regime of the southwestern part of the Aquitaine Basin, France, as indicated by oil well data. *J. Struct. Geol.* 14, 1019–1032.

THE authors regret that Fig. 9 was reproduced incorrectly in their paper. Some of the breakout orientations used to infer stress trajectories were obscured by the

shaded areas. A correct version of Fig. 9 is reproduced below.

We thank Dr Bell for pointing out this error to us.
