### Publisher's Note

## “Folding with thermal mechanical feedback: A reply” [Journal of Structural Geology, Volume 31, Issue 5]<sup>☆</sup>

Bruce Hobbs, Klaus Regenauer-Lieb, Alison Ord

*CSIRO Exploration and Mining, PO Box 1130, Bentley, Western Australia 6102, Australia*

The publisher regrets that an error in its production offices resulted in the above-referenced article appearing in an issue for which it was not intended. To remedy this error, the article has been withdrawn from Volume 31, Issue 5, and will be published as

intended with the discussion article to which it refers in a future issue to appear in 2009.

The publisher sincerely apologizes to the authors and the readers for any inconvenience this error may have caused.
