

## ERRATA

In the paper of

M. M. Koton, S. Ya. Frenkel, T. Székely, N. R. Prokopchuk, L. N. Korzhavin and Ju. N. Sazanov

entitled: Relationships between glass transition and melting temperatures and chemical structures of polypyromellitimides

published in Journal of Thermal Analysis, 12 (1977) 187, on the page 188 the following column is missing from Table 1:

No.	Configuration of the diamine fragment of the polypyromellitimides
