

Announcement

METTLER AWARD, 1981

Nominations and accompanying letters of recommendation for the 1981 Mettler Award in thermal analysis must be submitted by January 1, 1981 to:

A. W. STRATTON
Awards Committee
North American Thermal Analysis Society
c/o Witco Chemical Corp.
Rts. 268
Petrolia, Pa 16050

The purpose of the award is to recognize and encourage work in, and distinguished services to, the field of dynamic thermal analysis including but not restricted to thermogravimetry, differential thermal analysis, differential scanning calorimetry and effluent gas analysis.

The award is sponsored by the Mettler Instrument Corporation, Hightstown, New Jersey.
