

PREFACE

Polish Seminar on Thermal Analysis to the memory of St. Bretsznajder have been organized since 1977. The fifth meeting was held at the Plock Branch of Warsaw University of Technology, Plock, on September 19-21, 1989. This Seminar was organized by the Polish Chemical Society, Division at Plock, the Warsaw University of Technology, Branch at Plock, Institute of Chemistry and the Commission of the Analysis of Plastics of the Committee of Analytical Chemistry of the Polish Academy of Sciences. The Seminar was attended by over two hundred thermal analysts coming mainly from Poland but also other countries.

This volume contains a collection of invited and contributed papers presented at the 5th Polish Seminar on Thermal Analysis.

These papers were selected and refereed by a Scientific Committee.

Chairman: Prof. J. Pysiak

Members: Prof. L. Stoch, Prof. L. Slusarski, Prof. C. Rózycki.
