**INTERNATIONAL CONFERENCE ON THERMOPHYSICAL
PROPERTIES OF MATERIALS (TPPM99)**

SINGAPORE, NOVEMBER 17–19, 1999

Organized by:

Advanced Materials Research Centre Nanyang Technological University

Topics:

- Thermal Analysis of Materials
- Thermal Conductivity and Specific Heats
- Dilatometry
- Emissivity, Electrical Conductivity, Dielectric Behaviour and Viscosity
- Modelling of Thermophysical Behaviour
- Thermophysical Characterisation of Thin Films and Coatings
- Novel Characterisation Techniques
- Application of Thermophysical Properties
