

### *Acknowledgements*

---

The Editors of the Journal are thankful to the Regional Editors and members of the Editorial Advisory Board for their work throughout the past year. We would like to express our special thank to those referees listed below for their hard work, for the time and expertise they invested to improve the scientific level of the manuscripts. Their work is invaluable in terms of scientific advancement and in providing a constant dynamic forum where all scientists, from all over the world can find a professional team helping, educating and inspiring.
