
Antibacterial Property and Biocompatibility of Plasma Sprayed Hydroxyapatite/Silver Composite Coatings

Xuebin Zheng, Yikai Chen, Youtao Xie, Heng Ji, Liping Huang, and Chuanxian Ding

**Erratum to: Journal of Thermal Spray
Technology
DOI 10.1007/s11666-009-9355-9**

This article has been withdrawn. After notification by the corresponding author and further review by the Journal's editorial board and publisher, a decision has been reached that this article does not meet the minimum requirements for uniqueness when compared to a previously published paper by the same authors.
