

**Synthesis of Multiwalled Carbon Nanotubes through
a Modified Wolff–Kishner Reduction Process**

[*J. Am. Chem. Soc.* **2005**, *127*, 18018–18019].
Wenzhong Wang,* Bed Poudel, D. Z. Wang, and
Z. F. Ren*

Page 18018. The scale bar in Figure 2b should be reduced to
8 mm from the current 10 mm to represent 5 nm.

Page 18018. The scale bar in Figure 2d should be reduced to
11.8 mm from the current 12.5 mm to represent 5 nm.

Page 18019. The scale bar in Figure 3a should be reduced to
9 mm from the current 10 mm to represent 5 nm.
