

Correction to “Temperature Sculpting in Yoctoliter Volumes”

Joseph E. Reiner,* Joseph W. F. Robertson,* Daniel L. Burden, Lisa K. Burden, Arvind Balijepalli, and John J. Kasianowicz*

J. Am. Chem. Soc. **2013**, *135*, 3087–3094. DOI: 10.1021/ja309892e

Page 3093. The authors would like to add the following statement to the Acknowledgments:

The tethered lipid HC18 [(Z-20-(Z-octadec-9-enyloxy)-3,6,9,12,15,18,22-heptaooxatetracont-31-ene-1-thiol (C18 = oleoyl)]¹ listed in the Supporting Information section was a kind gift from Dr. David J. Vanderah (NIST).
