Page 6033. At the end of the Figure 8 caption, “0.41 mol” in the ratio should be replaced with “0.041 mol”, so that the last sentence of the caption reads as follows: “The chemical compositions of the reaction mixture for the SBA-15 were 4 g of copolymer: x g:0.041 mol:0.24 mol:6.67 mol TMB:TEOS:HCl:H<sub>2</sub>O.”

We are grateful to William G. Hardin for pointing out the error in the original publication.
