

Correction to “Chiral 1,2,3-Triazoliums as New Cationic Organic Catalysts with Anion-Recognition Ability: Application to Asymmetric Alkylation of Oxindoles”

Kohsuke Ohmatsu, Mari Kiyokawa, and Takashi Ooi*

J. Am. Chem. Soc. **2011**, *133*, 1307–1309. DOI: 10.1021/ja1102844

S Supporting Information

Supporting Information, page S12. The X-ray data for 1,2,3-triazolium salt **1a-Cl** were analyzed incorrectly. The appropriate space group was found to be *P21*.

This correction does not affect the conclusions of the original Communication. We thank Dr. Lawrence Henling and Dr. Richard E. Marsh for their suggestion.
