

Correction to “Stitched α -Helical Peptides via Bis Ring-Closing Metathesis”

Gerard J. Hilinski, Young-Woo Kim, Jooyeon Hong, Peter S. Kutchukian, Charisse M. Crenshaw, Shaunna S. Berkovitch, Andrew Chang, Sihyun Ham,* and Gregory L. Verdine*

J. Am. Chem. Soc. **2014**, *136*, 12314–12322. DOI: 10.1021/ja505141j

Page 12314. Although in the Introduction section the work by Spring and co-workers on double-stapling using azide–alkyne cycloaddition was cited, an earlier synthetic contribution of a similar nature was not cited. That citation is given here.¹
