

Correction to “Oxidatively Initiated NHC-Catalyzed Enantioselective Synthesis of 3,4-Disubstituted Cyclopentanones from Enals”

Nicholas A. White and Tomislav Rovis*

J. Am. Chem. Soc. **2015**, *137*, 10112–10115. DOI: [10.1021/jacs.5b06390](https://doi.org/10.1021/jacs.5b06390)

Page 10113. A typographical error was embedded in [Scheme 1](#), implicating a nonsensical structure for intermediate IV. The corrected version is reproduced below. The authors regret the error.

Scheme 1. Proposed Catalytic Cycle
