

## Correction to “Asymmetric Copper-Catalyzed Carbozincation of Cyclopropenes en Route to the Formation of Diastereo- and Enantiomerically Enriched Polysubstituted Cyclopropanes”

Daniel S. Müller and Ilan Marek\*

*J. Am. Chem. Soc.* **2015**, *137*, 15414–15417. DOI: [10.1021/jacs.5b11220](https://doi.org/10.1021/jacs.5b11220)

Page 15416. In Scheme 3, the diastereoisomeric ratios of compounds **3o** and **3p** were incorrectly described. Herewith, we wish to correct both cases to read as 22:78 dr instead of 78:22 dr.
