

Correction to "A General Method for Selective Recognition of Monosaccharides and Oligosaccharides in Water"

Roshan W. Gunasekara and Yan Zhao*¹

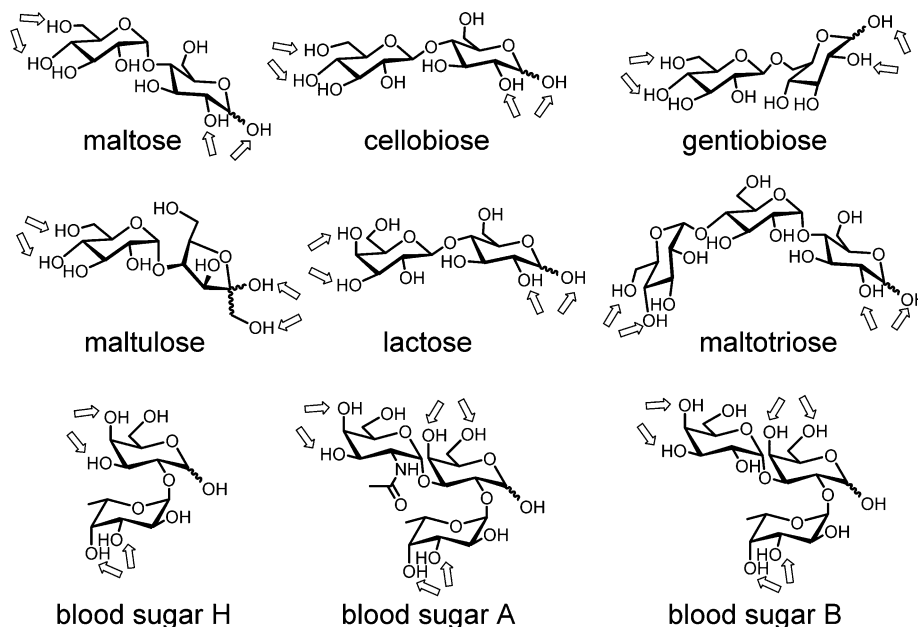

J. Am. Chem. Soc. 2017, 139, 829–835. DOI: 10.1021/jacs.6b10773

Page 829. An endocyclic oxygen atom was inadvertently omitted from the three sugars in the Table of Contents/Abstract graphic. The corrected graphic is shown below.

Page 833. An endocyclic oxygen atom was inadvertently omitted from blood sugars H, A, and B in Chart 2. The corrected Chart 2 is also shown below.

Chart 2. Structures of Oligosaccharides Used in This Study^a

^aThe arrows indicate the hydroxyls potentially involved in the boronate formation with FM 4.
