

Correction to Total Synthesis of the Potent Androgen Receptor Antagonist (–)-Arabilin: A Strategic, Biomimetic [1,7]-Hydrogen Shift

Hee Nam Lim and Kathlyn A. Parker*

J. Am. Chem. Soc. **2011**, *133*, 20149–20151. DOI: 10.1021/ja209459f

Page 20149. Scheme 1 shows incorrect stereochemistry for SNF4435 C and D. The correction has no implication for the results described in the paper. The corrected Scheme is shown above.

Scheme 1. Nonenzymatic 8π , 6π Electrocyclization of *E*, *Z*, *Z*, *Z*-Tetraene 4
