

TENTH FALL MEETING

The October meeting of the Society was peculiarly interesting in a prophetic sense. The first meeting to obtain a registration greater than 200, it pointed clearly to even greater meetings at this season in the future, and gives definite promise that the Society has splendid prospects of growth.

Plans are being made at this early date for a greater meeting next fall by inviting an outstanding worker in the field of fat technology to address the Society at that time.

It will be difficult to improve the general level of the program. All of the papers were well prepared and

intelligently presented, worthy of the attention of anyone.

The outstanding success of this meeting holds a serious challenge to the Spring meeting. This is the original meeting—the business meeting of the Society in the surroundings in which it came into being. A program as strong as that of the Chicago meeting is hoped for, but this can be secured only by the membership taking the sort of personal interest which produced such splendid results in Chicago. One step toward strengthening this program has been decided upon. An out-

standing speaker on subjects of general technical interest will address the Society at this time.

It is to be hoped that this practice of inviting speakers, men who have achieved greatly, will be a regular feature of all future meetings.

No one in attendance at the Chicago meeting could fail to be optimistic on the future of the Society, and it is not possible to give too much credit to Mr. Irwin and his associates whose interest and industry made this meeting the most successful in the history of the Society.

—E. C. Ainslie, President.

ANNUAL BOWLING TOURNAMENT

THE annual bowling tournament of the American Oil Chemists' Society is one of the highlights of the entertainment at Fall meetings. This year the tournament was held on the afternoon and evening of October 8, following the first day of the Society's meeting. The tourney was held at the newly decorated Bensinger Alleys at 70 West Madison Street, Chicago.

Fifty-seven entries battled for top honors in the competition. Several more would have liked to bowl but were prevented by lack of sufficient alleys. The reservation of a sufficient number of alleys during the bowling season for a one-night tournament is a matter of considerable difficulty and the committee regrets exceedingly that several late arrivals were prevented from bowling by lack of space.

The "Amaizo" team from the American Maize Products Company was back in form this year, rolling high team score and winning another leg on the Amaizo Trophy donated three years ago by Vice-President R. E. Daley of their company. The Amaizos have now won the trophy twice and one more win entitles them to permanent possession of it. Lever Bros. team and Precision Scientific Company's team have each won the trophy once and it is expected that next year will bring a hotter contest than any we have ever had.

Armour Soap Works' team gave the Amaizos a tough contest this

year, taking second honors with a score only 19 pins lower than that of the winners. This team will have to be watched in future competition.

Team scores this year were as follows:

Team	1st game	2nd game	3rd game	Total
Amaizos	916	888	826	2630
Armour Soap Works	852	907	852	2611
Lever Brothers	827	790	841	2458
Precision Scientific	848	775	770	2393
Swift (Premiums)	772	850	758	2380
Armour & Company	842	786	732	2360
Industrial Nuchars	648	691	726	2065
Swift (Brookfields)	631	649	737	2017
Sharples Centrifugals	703	643	668	2014
Procter & Gamble	614	696	697	2007
Merck & Company	578	684	646	1908

Prizes and winners were as follows:

Event	Prize and Won by	Score
5 Man Teams (high score, 3 games)—"Amaizo Trophy,"	American Maize Prod. Co.	2630
5 Man Teams (2nd high score, 3 games)—5 Desk-Pen sets,	Armour Soap Works	2611
5 Man Teams (high single game)—5 Bridge sets,	American Maize Prod. Co.	916
Individual High Score (3 games)—Sport sweater,	M. DeShinkoe	566
Individual High Score (1 game)—Sport sweater,	H. A. Abernethy	211
Blind Handicap Event (high score after hcp., 1 game)—Sweater set,	L. C. Brown	274
Blind Handicap Event (2nd high score after hcp., 1 game)—Sport sweater,	I. Cicelski	270
Blind Handicap Event (low score after hcp., 1 game)—Bridge set,	D. C. Pierle	124
Member Prize (high score, 3 games)—Duffle bag,	W. Oyler	480
Member Prize (high score, 1 game)—Duffle bag,	J. Wrench	196
Consolation (lowest score, 3 games)—Ash tray, (*)		281

AMERICAN SOCIETY FOR TESTING MATERIALS

260 South Broad Street, Philadelphia, Pa.

Committee D-12 on Soaps and Detergents

H. P. Trevithick, Chairman, New York Produce Exchange, 2 Broadway, New York.

F. W. Smither, Vice-Chairman, National Bureau of Standards, Washington, D. C.

B. S. Van Zile, Secretary, Colgate-Palmolive-Peet Co., 105 Hudson St., Jersey City, N. J.

October 20, 1936.

To the Members of Committee D-12, Ladies and Gentlemen:

Thursday, December 3rd, seems the most acceptable date and so there

will be a meeting of the committee on that day at the Hotel New Yorker, 34th St. and 8th Ave., New York, at 9:30 A. M., in a room on the 4th floor.

This will be followed by a luncheon in the same room at 12:30, the charge for which will be \$1.50 a cover.

After lunch, there will be sub-committee and section meetings as the various chairmen call them. We have reserved five small rooms on the 5th floor at present for these and if more are necessary we can obtain them.

These rooms will be posted on the bulletin board and in the elevators.

Please make your reservations with Mr. George Carmany of the

hotel promptly, and as far as possible use this hotel, as they are extending us the courtesies of the meeting rooms, etc., free of charge.

Also please advise us promptly of your intention to attend and whether you will be present at the luncheon or not, as we must guarantee a definite number for these luncheons.

The general meeting of D-12 should not be unduly long, and if possible I would like to have a meeting of the Advisory Board immediately following the meeting and before luncheon.

The various chairmen and sub-chairmen can call their own meetings as convenient. Possibly the three chairmen could meet at 2 for such discussion as necessary, unless it is covered by the morning meeting, and then the sections could meet immediately thereafter.

We are not planning now for a dinner and evening meetings, but if that seems advisable we can arrange that later.

Yours truly,
H. P. Trevithick,
Chairman.

LIST OF REGISTRANTS A. O. C. S. CONVENTION FALL, 1936

- Abbott, F. C., Ozark Chemical Co., Tulsa, Okla.
Agee, G. Worthen, Barrow-Agee Laboratories, Inc., Memphis, Tenn.
Ainslie, E. C., Buckeye Cotton Oil Co., Atlanta, Ga.
Albers, C. H., Swift & Co., Chicago, Ill.
Alexander, Knox L., Best Foods, Inc., Chicago
Anderson, K. L., Skelly Oil Co., 121 W. Wacker Dr., Chicago
