**BOWLING TOURNAMENT**

One of the features of the A.O.C.S. fall meeting is the annual bowling tournament. This year the tournament will be held at the Medinah Athletic Club, 505 No. Michigan Avenue, on the second evening of the convention, Friday, October 15. The alleys at the Club have been reserved for the exclusive use of the society from 9 p. m. on. For those who find it difficult to spend the evening in bowling, arrangements have been made to bowl in the afternoon from 3 to 5. The usual list of useful prizes will be offered for competition in singles, doubles, and 5-man teams. The big prize, of course, is the "Amaizo Trophy," which was won last year for the second time by the American Maize Products team, Roby, Indiana. If the "Amaizo" team wins it again, it will become their permanent possession. Naturally, competition will be very keen, since the Lever Bros. team and the Precision Scientific team each have a leg on the trophy also.

The Committee has always tried to make this event as interesting for the mediocre or poor bowler as it is for the expert by means of handicaps and special prizes. This year will be no exception, and all registrants at the convention are urgently invited to spend the evening at the Medinah Athletic Club. The Club has unequaled facilities for dining, swimming, and all sorts of indoor athletics for those who care to spend the early evening there before the tournament starts. If you haven't previously attended an A.O.C.S. bowling tournament, we urge you to attend this one during the fall meeting.

**ANNUAL DINNER**

By way of innovation, the annual dinner this year will not be held at the convention hotel, but at Old Heidelberg Inn, a German-American restaurant famous for its food and entertainment. The "Old Heidelberg Octette" and Herr Louie and his "Hungry Five" in the Rathskeller are outstanding entertainment features.

You are urged to plan NOW to be present at this convention. A record attendance is expected. Make your reservations early with the Hotel La Salle to be sure of the accommodations you desire.
