

NEWS

New Application for Referee Certificate. Mr. J. R. Simpson of the Woodson-Tenent Laboratories, Cairo, Illinois, has applied for appointment as Referee Chemist of the American Oil Chemists' Society on cottonseed cake and meal. Information concerning the qualifications of this applicant will be gladly received by the Referee Board from any member of the Society. Address A. S. Richardson, M. A. & R. Building, Ivorydale, Ohio.

Spring Meeting - New Orleans

The Annual Spring Meeting of The American Oil Chemists' Society will take place in New Orleans, May 9 and 10, 1940.

To all those who expect to submit papers for this meeting we would like to submit the following: —

- 1) The paper should be of such length as to enable it to be presented in twenty minutes, with an additional ten minutes allowed for discussion.
- 2) All those who intend to submit papers for this meeting should notify the Society to this effect by sending the title of the paper to Mr. H. C. Dormitzer, President, The American Oil Chemists' Society, c/o Wilson & Company, Chicago, before March 1, 1940.
- 3) All papers should be submitted to the Program Committee, marked in care of Mr. H. C. Dormitzer, before April 1.
- 4) Any suggestions from the membership in general as to sources of papers, or possible titles, will be welcomed by the Program Committee at all times.

Fall Meeting Chicago

General plans are being formulated by the local Committee for the Fall Convention in Chicago. This meeting is to be held again at The Stevens Hotel. The dates are October 2, 3, and 4.

Approximately the same general arrangement of program is planned as was given last year. One day is to be devoted to soap papers, another to general fat and oil papers, and a third day to a special symposium on a subject of general interest to members of the Society.

Further plans will be announced as progress is made in arranging the program.
