## CHICAGO FALL MEETING

The fall convention of The American Oil Chemists' Society is planned for October 7, 8, and 9 in the Drake hotel, Chicago. Full particulars concerning the meeting will appear in the next issue of OIL & SOAP. Persons wishing to take part in the program should communicate with Dr. J. K. Gunther, Research Laboratories, Swift & Company, Chicago.

## SOUTHERN MEMBERS TRANSFER

Three members of the Southern Regional Research Laboratory have entered into new duties in the war effort.

Mr. Harry P. Newton, technical assistant to the director, has entered on active duty as a colonel in the coast artillery.

Mr. Donald A. Morgan of the oil, fat and protein division, a reserve officer in the chemical warfare service, has been called to active duty at Fort Leonard Wood. Mr. Morgan is a first lieutenant.

Mr. Alton E. Bailey, acting chief of the oil and oil-seed processing section, has recently been detailed to the Board of Economic Warfare in Washington as special consultant on fats and oils, especially for procurement from Latin American sources.

## NEW WAX DIVISION

Allied Asphalt & Mineral Corporation has established a new division to be known as the "Wax and Oil Division." Under the direction of Mr. H. W. Kraaz the new organization will deal with various grades of waxes and oils including amorphous mineral waxes, synthetic carnauba waxes, composition waxes, ceresines, naphthenic acids and soaps, etc.

## EXPOSITION CHANGE

Announcement is made by the Chicago Section of the American Chemical Society of a change in dates and location for its second National Chemical Exposition, owing to the acquisition of the Stevens hotel in Chicago by the U. S. army.

The exposition and conference have been transferred to the Sherman hotel and will take place from November 24-29 instead of a week earlier as originally planned.
