

Smalley Committee Announces Collaboration in Check Work

ANNOUNCEMENT was made in the July issue of Oil and Soap of the changed status of the Smalley Foundation Committee. Those collaborators who have taken part in the check work of the various subcommittees will be notified as they have been in the past.

Any member of the Society can be enrolled in the check work by sending request for the desired samples, with remittance (see schedule of charges below) to Mrs. Lucy R. Hawkins, The American Oil Chemists' Society, 35 E. Wacker Drive, Chicago 1, Illinois. Mrs. Hawkins will in turn notify the subcommittee chairmen, who are as follows:

Subcommittee on Crude Vegetable Oil—A. S. Richardson, chairman, Chemical Division, Procter and Gamble Company, M. A. & R. Building, Ivorydale 17, Ohio.

Subcommittee on Oilseed—R. T. Doughtie, Jr., chairman, Production and Marketing Administration, U. S. Dept. of Agriculture, Box 187, Memphis 1, Tenn.

Subcommittee on Oilseed Meal—J. J. Vollertsen, chairman, R. W. Bates, vice chairman, Armour and Company, Union Stock Yards, Chicago 9, Illinois.

The charges for participation in this check work will be as follows:

| | |
|------------------------------------|---------|
| Crude Vegetable Oil—6 samples..... | \$ 9.00 |
| Cottonseed—10 samples | 7.50 |
| Oilseed Meal—30 samples..... | 15.00 |

If additional information is desired regarding this collaborative work, address the chairmen of the subcommittees directly.

The subcommittee on oilseed is likewise preparing to send out samples of soybeans and peanuts for collaborative tests. Information regarding this can be obtained by addressing Mr. Doughtie.

—J. J. VOLLERTSEN.

Appoints Committees for 20th Fall Meeting

COMMITTEE appointments for the 20th annual fall meeting of the American Oil Chemists' Society, which is to be held at the Edgewater Beach hotel, Chicago, on October 30, 31, and November 1, 1946, have been made by G. A. Crapple, convention chairman, of Wilson and Company, Chicago, and the program committee is inviting members to present papers at the technical sessions.

G. A. CRAPPLE

Chairman of the program committee is Howard C. Black, Swift and Company, Chicago, and other members are E. W. Colt, Edward Randa, A. R. Baldwin, K. F. Mattil, and B. W. Beadle. Titles of papers should be in by September 1 and manuscripts by October 1.
