Two Symposia Scheduled for New Orleans in May

THE technical program for the 38th annual meeting of the American Oil Chemists' Society to be held at the Hotel Roosevelt, New Orleans, May 20-22, 1947, will include two symposia, according to A. M. Altschul, program chairman. One of these will be on analytical methods with T. H. Hopper as

A. M. ALTSCHUL

chairman and the other on industrial products from oilseed meals and proteins. Titles and abstracts of papers to be presented must be in Dr. Altschul's hands by April 1.

Entertainment for the ladies will include luncheons, visits to historic spots and the annual banquet. Mrs. Hopper is chairman.

Requests for hotel reservations should be sent to Col. H. P. Newton, general chairman, at the Southern Regional Research Laboratory, 2100 Robert E. Lee Blvd., New Orleans 19, La., by May 9. First and second choice of hotels should

be indicated since the Hotel Association of New Orleans has allotted 225 rooms in eight hotels to the Society meeting.

Other New Orleans chairmen are as follows: J. J. Ganucheau, banquet; Elisha F. Pollard, registration; C. L. Hoffpauir, printing; F. G. Dollear, golf; J. A. Kime, publicity. E. A. Gastrock is secretary-treasurer.

Preceding and following the three-day meeting there will be meetings of the outgoing and incoming Governing Board. President S. O. Sorensen will preside at the former, also at the opening session of the spring meeting.

Election of officers will be announced at the business meeting on Thursday afternoon, May 22. Chairman of the nominating and election committee is R. R. King of Sherman, Tex.

CHEMICAL PUBLISHING COMPANY, 26 Court street, Brooklyn, N. Y., has just issued a 1947 catalog listing new books on chemistry, technology, dictionaries, and so on.
