ENROLMENT in the course will be limited to 200. Students are expected to live on campus, and assignment of rooms is made by the Society office upon acceptance. The fee of \$90 (\$50 for room and board, \$40 for registration) should be sent to the American Oil Chemists' Society, 35 E. Wacker drive, Chicago 1, Ill. Demarest hall will be used for housing. Meals will be served in the Commons across the street, and lectures will be given in the Engineering auditorium one block away.

The short course is being given under the direction of the Education Committee of the Society, of which J. P. Harris is chairman, and its subcommittee, headed by Dr. Snell. University officials cooperating with the Society are M. A. Chaffee, director of the University Extension Division, and P. A. van der Meulen, head of the chemical division.

Students whose applications have already been accepted by the Society are, at press-time, as follows:

- Fred E. Brown, Yocum Faust Ltd., London, Ont.
- W. H. Clendenin, Darling and Company, Chicago, Ill.
- R. A. Coddington, J. I. Holcomb Manufacturing Company, Indianapolis, Ind.
- Carl T. Fiscella, Union Bag and Paper Corporation, Rutherford, N. J.
- S. D. Gershon, Pepsodent Division, Lever Brothers Company, Chicago, Ill.
- Allen H. Howland, Original Bradford Soap Works Inc., Warwick, R. I.
- Matthew C. Hunter, Monsanto Chemical Company, St. Louis, Mo.
- A. C. Jacovino, Jacques Wolf and Company, Passaic, N. J.
- V. E. Johanson, Darling and Company, Chicago, Ill.
- William L. Kubie, Darling and Company, Chicago, Ill.
- Robert B. Levin, Standard Chemical Company, Miami, Fla.
- Albert N. Lyons, Andrew Jergens Company, Cincinnati, O.
- Simon R. Mauro, East Coast Soap Corporation, Brooklyn, N. Y.
- E. Scott Pattison, Association of American Soap and Glycerine Producers Inc., New York City
- R. W. Parks, Jacques Wolf and Company, Passaic, N. J.
- Stanley R. Purcell, Baker Castor Oil Company, Bayonne, N. J.
- R. A. Reiners, Corn Products Refining Company, Argo, Ill.
- Frank R. Reitter, Colgate-Palmolive-Peet Company, Jersey City, N. J.
- A. J. Stirton, Eastern Regional Research Laboratory, Philadelphia, Pa.
- Melvin A. Stock, Monsanto Chemical Company, Anniston, Ala.

Robert Stonier, John H. Breck Inc., Springfield, Mass.
D. Douglas Taylor, El Dorado Oil Works, Bayonne, N. J.

This 1952 course will be the fourth sponsored by the Society since 1948, when lectures on vegetable oils were given at the University of Illinois. A second course on edible oils was given at Illinois in 1949, and a third, on drying oils, followed at the University of Minnesota in 1950. Lectures for both the 1949 and 1950 courses are available from the Society offices in Chicago, in bound form, at \$2 and \$3, respectively.
