## August 1 Deadline for Fatty Acid Entries Draws Nearer

REMINDEES of the August 1 deadline for manuscripts to be submitted for the \$500 award competition established by the Fatty Acid Producers' Division of the Association of American Soap and Glycerine Producers Inc. and administered by the American Oil Chemists' Society are in order. Announcement of the winner will be made at the fall meeting of the Society at the Sherman hotel, Chicago, Ill., September 24-26.

The award is to be given for work done in an educational institution in the United States or Canada while the individual is a candidate for a degree (bachelor, master, doctor) or on the staff of an educational institution within one year after receipt of such a degree. Submission of a paper or thesis may take place within one year after the author is graduated. In respect to team authorship, at least one of the candidates must meet the requirement as set forth above, in which event the entire team shall be considered eligible for the award.

Judges will be J. B. Brown, Ohio State University, Columbus; J. C. Cowan, Northern Regional Research Laboratory, Peoria, Ill.; and A. R. Baldwin, Cargill Inc., Minneapolis, Minn. Committee in charge of the competition comprises H. C. Black, Swift and Company, Chicago, chairman; S. T. Bauer, Crosby Chemicals Inc., De Ridder, La.; and D. H. Wheeler, General Mills Inc., Minneapolis, Minn.
