

Announce Early Exhibitor List for Chicago Meeting

AMONG early commitments for exhibit space at the 32nd Annual Fall Meeting of the American Oil Chemists' Society to be held October 20-22 at the Hotel Sherman, Chicago, are these, according to C. W. Hoerr, convention co-chairman and exhibit chairman:

R. J. Vander Wal
Publicity Chairman

L. A. Salomon and Bro. Inc., New York, N. Y.
Sparkler Manufacturing Company, Mundelein, Ill.
Wurster and Sanger Inc., Chicago, Ill.

Also in the process of obtaining commitments is A. V. Graef Jr., program chairman, who is with Wurster and Sanger, at 5201 S. Kenwood, Chicago 15. He is asking for papers from members of the Society and others. By August 15 he needs such information as title, names of authors and speakers, also three copies of a 100- to 300-word abstract. Major themes will be synthetic detergents, nutrition, and plant safety.

The fall meeting will open with a complimentary mixer on Sunday from 5 to 7 p.m. Monday evening there will be a cocktail party sponsored by Distillation Products Industries, after which the evening will be left free. The dinner dance will be held Tuesday. No plant trips are to be arranged. The ladies will have a full program of sight-seeing and diversion.

Committee business will occupy many members and officers, what with conferences, a special business session of the Society, and a meeting of the Governing Board, at which the president, J. C. Konen of the Archer-Daniels-Midland Company, Minneapolis, will preside.

Room reservations should be made direct with the Hotel Sherman, mentioning the name of the Society.

Thirty-Five Years Ago

The engineering department of Barrow-Agee Laboratories, Memphis, Tenn., prepared plans and specifications for two 7,500-ton concrete cottonseed storage silos which were erected in Queensland, Australia.

Bauer Bros. Company, Springfield, O., reported such a large volume of orders for oil-mill machinery that it was necessary to operate some departments of the plant on two shifts.

Two papers presented at the A.O.C.S. annual meeting held April 30, 1923, at Hot Springs, Ark., were published in the August issue of the Chemists' Section of The Cotton Oil Press: "Filtrol," by William Kelley, Filtrol Company, Los Angeles, Calif., and "Dareo Decolorizing Carbons," by A. A. Jackson, Dareo Sales Corporation.
