

INDEX REPERTOIRE DES REALISATIONS DE L'INSTITUT DES CORPS GRAS 1943-1963 Cumulative Index

On the occasion of the 20th anniversary of its foundation, the Institut des Corps Gras, Paris, the well-known French Research Center on oils, fats and derivatives has published a cumulative index of its works in the field of research and information (1943-1963).

This index edited by the Revue Francaise des Corps Gras (which is the official publication of the Institute) includes 3 parts: chronological, subjects and authors.

The works reported relate to the laboratory studies, reviews, monographs, patents, pilot-plant reports, theses, etc., carried out in the different services of the Institute. Nearly 700 documents are indexed.

Please send orders to the Institut des Corps Gras, 5 bd. de Latour-Maubourg, Paris 7ème, France—Price: 18 F (\$3.68).
